

## **JULY 2017**

We enjoyed closing our Dunstan House doors this winter knowing our upgrades were all complete. Our new ensuited rooms proved popular last season with positive feedback from our guests.

Clyde Heritage Precinct continues to grow in popularity as a destination for both national and international visitors. We also feel proud to be part of this busy buzzing community supported so well by Central Otago and Clyde folk who continue to meet for coffees, meals or the latest movie releases.

Another attraction in our village to watch out for will be live music every Sunday over the 4 months December – March. Our ‘Clyde on Sunday’ business group will organise this and the location of each musician will vary between Sunderland and Holloway Streets.

Bring on summer!!

Cheers Maree and John
