

SUMMER 2018

Happy New Year to all.

Our guests are enjoying a wonderful hot summer with their biking and outdoor activities.

John and I are now into the middle and final season at Dunstan House. After 13 years of what has been a challenging, enriching and rewarding experience, we are passing the baton on next month. Ian and Meredith Kerrisk of Alexandra will be the new owner operators and we wish them well.

We sincerely value all the support and relationships built with guests, tour operators and guides over our tenure.

Wishing you all the best for 2018.

Regards Maree and John Davidson
