

## **SPRING 2015**

Our earthquake strengthening and building maintenance project on Dunstan House is nearing completion. Several of our communal rooms and bedrooms are receiving a fresh look with new paper and paint and very soon photos of these changes will be loaded onto our website. This is the fun part and the building looks very special again so we invite you to come check us out!!

We reopened late October by hosting competitors in the World Town Crier Tournament. This event was held in various Central Otago venues and we enjoyed the company of Criers representing Canada, England, Wales, U.S.A., Australia and New Zealand. A colourful group for sure!! Congratulations must go to the organiser our local Paddy Ann Pemberton on such a successful week of activities and Dunstan House played her role perfectly.

It is wonderful to see continued restoration of Clyde's heritage buildings. The Old Railway Station was opened on the 10<sup>th</sup> October and has a new life housing a cycle company and a museum. Now with the completion of Olivers restoration, the village markets are able to return to the precinct. These will be held on Monday October 26<sup>th</sup>, December 28<sup>th</sup> and February 8<sup>th</sup>.

Looking like a busy summer season for us all.

Regards  
Maree and John
