

OCTOBER NEWSLETTER 2014

As Labour Weekend approaches, another season is under way for Dunstan House with solid summer bookings.

John and I are enjoying biking on our local trails taking in all the smells and colours of spring as the Thyme is now in full flower.

Preparations are well under way for our second Cuisine@Clyde over the 4 days of Labour Weekend. Masterclasses this year feature Peta Mathias, Allan Brown, our local Masterchef runners-up Jaimie and Bec and more. An evening Food and Wine Market kicks off the weekend on 24th October and to see the full programme visit our facebook page www.facebook.com/cuisineatclyde. We still have some rooms available if you wish to be part of our fun weekend.

Cheers Maree
