

## **Winter 2016**

Guests are now replaced by tradesmen as we carry out more improvements to our accommodation. Our 2 downstairs bedrooms the Powder and Rustic rooms will also now have ensuites enabling more of our guests to enjoy private facilities during their stay.

When we reopen in the spring Dunstan House will provide 11 bedrooms with 8 ensuited and 3 share bathrooms. We will load some new photos onto this website when work is completed and we also have just set up our own facebook page.

All looks set for a strong 2016/17 season and with news of more cycle trails to be completed in our area, it can only mean continued growth for us all here in Clyde and Central Otago
