

DUNSTAN HOUSE NEWSLETTER

OCTOBER 2013

Welcome to our Spring 2013 newsletter. Clyde is looking a picture with blossom still out on the cherry trees along Sunderland Street. Many of the cottage gardens have displays of lavender, lilac, tulips and forsythia and our roses are flowering in the garden at Dunstan House. The local orchardists have been busy frost fighting to ensure a good season of fresh fruit will be available in the months ahead. As the saying goes ... "The grass is growing and the birds are singing"

Although still early in our new season, we have already hosted the annual Harley Davidson Golden Ghost Rally and a steady stream of Rail Trail cyclists have set out in varied spring weather conditions.

Our next focus is Labour Weekend here in Clyde. Our same group of locals who organize our Sunday Markets, have pulled together "NZ's Greatest Little Food and Wine Celebration" called [Cuisine@Clyde](#). Check out the programme on www.facebook.com/cuisineatclyde. Some well known N.Z. personalities will be here to share their skills and passions.

Labour Weekend is also the Clyde School 150th Jubilee and the Clyde Bowling Club celebrations. Dunstan House still has some rooms available so why not come join our village celebrations?

The first Sunday Market dates are 24th November which will be a Xmas Market and the 29th December our popular Buskers theme.

Once again our Xmas Lights will go up in the Heritage Precinct on 11th December at 7pm to herald in the Festive Holiday Season. Bring it on!!

Regards Maree, John and Judy
