

DUNSTAN HOUSE SUMMER NEWSLETTER

Clyde and Dunstan House are basking in this wonderful summer with continuous days of blue skies and sunshine. Long may it last for our guests still to join us.

The fruit season is in full swing and our buffet breakfast table is reflecting this. Both stewed and fresh fruits are on offer as well as our popular blended currant and apple juice, followed with a full platter, hot croissants and quality breads.

John and Judy competed in the annual Rail Trail Duathlon last weekend and represented Dunstan House along side 400 other entrants. Their strategic planning over bed making paid off as they cracked their 8 hour target, well done the twin team!!

Our final Clyde on Sunday is March 3rd and promises to be a lot of fun with the main feature being a Top Dog competition which is sure to bring out the local pooches and their proud owners. Whether the twosomes actually look alike will be up to the judges??

Clyde's next main event is the Easter Sunday Wine and Food Festival. Always a great showcase of our local wines and foods set on our main Sunderland Street with music and stalls for all to enjoy.

Best wishes and cheers

Maree, John and Judy
