

JUNE 2014 WINTER NEWSLETTER

Our Dunstan House doors are again closed as the cold temperatures of winter grip our village of Clyde.

John, Maree and Judy are heading for some sun and healthy exercise cycling and walking in Europe. While away Dunstan House is being managed by another of John's sisters Marie. She will respond to all your enquiries in the usual manner either by email or telephone.

Our doors reopen on the 1st October after winter maintenance work on the building.

See you in the spring and why not join us at Labour Weekend for our second Cuisine@Clyde. Plans are well underway with an impressive line up of guest chefs to entertain and inform!!.
